IMPORTANT!

Please read and comply with the new property rules!

This property has been purchased by The Cowboy Church of Tarrant County. The Gazda heirs (Elisabeth and Giselle) made sure that the Hungarian community every year can celebrate here the traditional Majalis, organized by the MMCC. This agreement is included in the sale contract.

The new owners have their set of guidelines, which we have to follow!

**Only wine and champaigne is permitted, and has to be consumed in very discrete way.**

It is not allowed to set up bar, or alcoholic beverage stations.

**Beer and hard liqueur is strictly forbidden!**

**We can not use the sanctuary for any purpose!**

Everything has to be cleaned up, hauled away Saturday evening, since Sunday morning there will be church service starting at 8:30 am.

We ask everyone to comply with the rules, so we can enjoy the property for many years to come!

Parents and guardians

are responsible for making sure their children are safe and avoid injuries. We suggest to all attending to bring sunscreen and bug repellent. Also bring blankets or lawnchairs to sit close and keep an eye on, supervise the children at their play areas. **The MMCC is not responsible for the safety and wellbeing of the guests!**

Parking

Upon driving thru the Cowboy Church gate, just follow the gravel road to the dedicated parking area.

Danger of Fire

We kindly ask everyone to be extra careful with the disposal of cigarettes. It already has happened in the past that the trash caught on fire! All open fires have to be completely extinguished before we leave!
